(b) Should the point of a quorum be raised, the doors shall be closed and the Clerk shall call the roll of the House, after which the names of those not responding shall again be called. In the absence of a quorum, fifteen members are authorized to compel the attendance of absent members and may order that absentees for whom no sufficient excuses are made be taken into custody wherever they may be found by special messenger appointed for that purpose.

RULE 4. *Approval of Journal.*—(a) The Standing Committee on Rules, Appointments and Calendar shall cause the Journal of the House to be examined daily before the hour of convening to determine if the proceedings of the previous day have been correctly recorded.

(b) Immediately following the opening prayer and upon appearance of a quorum, the Speaker shall call for the Journal report by the Chair of the Standing Committee on Rules, Appointments and Calendar or by a Representative designated by the Chair as to whether the proceedings of the previous day have been correctly recorded. Without objection, the Speaker shall cause the Journal to stand approved.

II. Conduct of Debate

RULE 6. *Duties and Powers of the Speaker.*—The Speaker shall have general direction of the Hall. He may name any member to perform the duties of the Chair, but substitution shall not extend beyond one day, except in the case of sickness or by leave of the House.

RULE 7. *Obtaining Floor.*—(a) When any member desires recognition for any purpose, he shall rise from his seat and respectfully address the Speaker. No member shall proceed until recognized by the Speaker for a purpose.

(b) When a member desires to interrupt a member having the floor, he shall first obtain recognition by the Speaker and permission of the member occupying the floor, and when such recognition and permission have been obtained, he may propound a question to the member occupying the floor; but he shall not otherwise interrupt the member having the floor, except as provided in subsection (c) of this rule; and the Speaker shall, without the point of order being raised, enforce this rule.

(c) A member who has obtained the floor may be interrupted only for the following reasons:

1. a request that the member speaking yield for a question,

RULE 8. *Questions of Privilege.*—Upon recognition by the Speaker for that purpose, any member may speak to a question of privilege for a time not to exceed three minutes. Questions of privilege shall be, first those affecting the rights of the House collectively, its safety, dignity, and the integrity of its proceedings; second, the rights, reputation, and conduct of members, individually, in their representative capacity only; and shall have precedence of all other questions, except motions to adjourn. Privilege may not be used to explain a vote or debate a bill. The Speaker shall determine if the question is one of privilege and shall, without the point of order being raised, enforce this rule.

RULE 9. *Points of Order.*—(a) The Speaker shall decide questions of order and may speak to points of order in preference to other members arising from their seats for that purpose. Any member may appeal from the ruling of the Chair on questions of order; on such appeal no member may speak more than once, unless by leave of the House. A two-thirds (2/3) vote of the members present shall be necessary to sustain any appeal from the ruling of the Chair.

(b) When the Speaker calls a member to order, the member shall take his seat except that a member called to order may clear a matter of fact, or explain, but shall not proceed in debate so long as the decision stands. If the member appeals from the ruling of the

Chair and the decision by a two-thirds (2/3) vote of the members present be in favor of the member called to order, he may proceed; if otherwise, he shall not; and if the case, in the judgment of the House, requires it, he shall be liable to censure by the House.

RULE 10. *Limitations on Debate*.—(a) No member shall speak on, debate, or solicit cosponsors for, a bill or resolution at its first reading.

(c) A member may speak only once and for not more than 20 minutes on the question of the adoption of a minority report.

(d) The House, by consent of a majority of the members present, may suspend the operation of subsections (b) and (c) of this rule during any debate on any particular question before the House.

RULE 11. *Reading of Papers*.—When there is a call for the reading of the text of a paper which has been presented to the House, and there is objection to such reading, the question shall be determined by a majority vote of the members of the House present. Except for protests permitted by the Constitution, no member may have material printed in the Journal until said material has been presented to the House and the printing approved by the House, and said material shall not exceed 1,000 words.

RULE 12. *General Decorum*.—(a) The Speaker shall preserve order and decorum.

(b) Decency of speech shall be observed and disrespect to personalities carefully avoided.

(c) When the Speaker is putting any question, or addressing the House, no person shall speak, stand up, walk out of or cross the House, nor when a member is speaking, engage in disruptive discourse or pass between the member and the Chair.

(d) Food or beverages shall not be permitted on the floor of the House.

(e) The reading of newspapers shall not be permitted on the floor of the House while the House is in session.

(f) Smoking or the consumption of food or beverages shall not be permitted in the galleries at any time.

(g) Special recitals, performances by musicians or other groups shall not be permitted on the floor of the House and special guests of members of the House shall not be permitted on the floor of the House.

(h) Members shall observe appropriate attire, coat and tie for male members and dignified dress for female members.

III. Motions

RULE 13. *Motions Generally.*—(a) Every motion shall be reduced to writing, if the Speaker or any two members request it. No motion relating to a bill shall be in order which does not identify the bill by its number and short title.

(b) When a motion is made, it shall be stated by the Speaker, or, if written, it shall be handed to the Chair and read aloud by the Speaker or Clerk before debate.

(c) After a motion has been stated by the Speaker or read by the Speaker or Clerk, it shall be in the possession of the House; but it may be withdrawn before a decision or amendment, except in case of a motion to reconsider, which motion, when made by a member, shall be in possession of the House and shall not be withdrawn without leave of the House.

RULE 14. *Motions, Order of Precedence.*—When there are motions before the House, the order of precedence is as follows:

To adjourn

To lay on the table

To postpone indefinitely

Previous question

To reconsider

To postpone to a day certain

To re-refer

To amend an amendment

To amend

To substitute

To pass the bill

No motion to lay on the table, to postpone indefinitely, to postpone to a day certain, to commit or to make a particular amendment, being decided, shall be again allowed at the same stage of the bill or proposition.

RULE 15. *Motion to Adjourn.*—(a) A motion to adjourn shall be seconded before the motion is put to the vote of the House.

(b) A motion to adjourn shall be decided without debate, and shall always be in order, except when the House is voting or some member is speaking; but a motion to adjourn shall not follow a motion to adjourn until debate or some other business of the House has intervened.

RULE 16. *Motion to Table.*—(a) A motion to table shall be seconded before the motion is put to the vote of the House and is in order except when a motion to adjourn is before the House.

(b) A motion to table shall be decided without debate.

(c) A motion to table a bill shall constitute a motion to table the bill and all amendments thereto.

(d) When the question before the House is the adoption of an amendment to a bill or resolution, a motion to table the bill is not in order, and a motion to table an amendment applies to the amendment only, and the motion may not expressly or by implication or construction be expanded to include a motion to table the bill also.

(e) When a question has been tabled, it shall not thereafter be considered except on motion to reconsider under Rule 18, or to remove from the table approved by a two-thirds (2/3) vote.

RULE 17. *Motion to Postpone Indefinitely.*—A motion to postpone indefinitely is in order except when a motion to adjourn or to lay on the table is before the House. However, after one motion to postpone indefinitely has been decided, another motion to postpone indefinitely shall not be allowed at the same stage of the bill or proposition. When a question has been postponed indefinitely, it shall not thereafter be considered except on motion to reconsider under Rule 18, or to place on the favorable calendar approved by a two-thirds (2/3) vote.

RULE 18. *Motion to Reconsider.*—(a) When a question has been decided, it is in order for any member to move for the reconsideration thereof, on the same or the succeeding legislative day; provided that if the vote by which the motion was originally decided was taken by a recorded vote, only a member of the prevailing side may move for reconsideration.

(b) A motion to reconsider shall be determined by a majority vote, except the following shall require a two-thirds vote: a second or subsequent motion to reconsider, and a motion to reconsider:

- (1) A vote upon a motion to table,
- (2) A motion to postpone indefinitely,
- (3) A motion to remove a bill from the unfavorable calendar,
- (4) A motion that a bill be read twice on the same day, or
- (5) A motion to remove from the table.

(c) A motion to reconsider the vote by which a person has been elected as Speaker or Speaker Pro Tempore shall not be in order. This subsection of this rule cannot be suspended.

RULE 19. *Previous Question.*—(a) The previous question may be called only by the member submitting the report on the bill or other matter under consideration, by the member introducing the bill or other matter under consideration, or by the member in charge of the measure, who shall be designated by the Chair of the standing committee or permanent subcommittee reporting the same to the House at the time the bill or other matter under consideration is reported to the House or taken up for consideration.

(b) The previous question shall be as follows: "Shall the main question now be put?" When the call for the previous question has been decided in the affirmative by a majority vote of the House, the "main question" is on the passage of the bill, resolution or other matter under consideration.

(c) The call for the previous question shall preclude all motions, amendments and debate, except the motion to adjourn or motion to table or motion to postpone indefinitely made prior to the determination of the previous question.

(d) If the previous question is decided in the negative, the main question remains under debate.

IV. Voting

RULE 20. *Use of Electronic Voting System.*—(a) Votes on the following questions shall be taken on the electronic voting system, and the ayes and noes shall be recorded on the Journal:

- (1) The passage as required by Article II, Section 23 of the Constitution of North Carolina, on second and third readings of any bill:
 - a. Raising money on the credit of the State,
 - b. Pledging the faith of the State for the payment of a debt,
 - c. Imposing a State tax, or
 - d. Authorizing a county, municipality, or other local governmental unit to
 1. Raise money on its credit,

2. Pledge its faith for the payment of a debt, or
 3. Impose a local tax.
- (2) All measures affecting a fee imposed by the State or any subdivision thereof.
 - (3) All questions on which a call for the ayes and noes under Rule 24(a) and Article II, Section 19 of the Constitution of North Carolina has been sustained.
 - (4) Both second and third readings of bills proposing amendment of the Constitution of North Carolina or ratifying resolutions amending the Constitution of the United States.
- (b) Votes on the following questions shall be taken on the electronic voting system:
- (1) Second reading of all public bills, all amendments to public bills offered after second reading, third reading if a public bill was amended after second reading or if the reading occurs on a day or days following the second reading, all conference reports on public bills, all motions to lay public bills on the table, and all motions to postpone public bills indefinitely.
 - (2) Upon a call for division.
 - (3) Any other question upon direction of the Speaker or upon motion of any member supported by one-fifth (1/5) of the members present.
- (c) When the electronic voting system is used, 15 seconds shall be allowed for voting on the question before the House, unless the Chair shall direct otherwise. The system shall be set to close automatically when that time has expired. Once the system is locked, the vote shall be recorded and printed.
- (d) The voting station at each member's desk in the Chamber shall be used only by the member to which the station is assigned. Under no circumstances shall any other person vote at a member's station. It is a breach of the ethical obligation of a member either to request that another person vote at the requesting member's station, or to vote at another member's station. The Speaker shall enforce this rule without exception.
- (e) When the electronic voting system is used, the Speaker shall state the question and shall then state substantially the following: "All in favor vote 'aye'; all opposed vote 'no'; the Clerk will open the vote." In order to have the vote recorded, the member must vote by the electronic voting system within the time allowed for that vote, unless the voting station assigned to a member is malfunctioning. The Speaker shall enforce this rule without exception. After the allotted time for voting has elapsed, the Speaker shall say: "The

Clerk will now lock the machine and record the vote." After the machine is locked and the vote recorded, the Speaker shall announce the vote and declare the result.

(f) One copy of the machine printout of the vote record of all votes taken on the electronic system shall be filed in the office of the Principal Clerk, and one copy shall be filed in the Legislative Library where it shall be open to public inspection.

(g) When the Speaker ascertains that the electronic voting system is inoperative before a vote is taken or while a vote is being taken on the electronic system, he shall announce that fact to the House and any partial electronic system voting record shall be voided. In such a case, if the Constitution of North Carolina or the Rules of the House require a call of the ayes and noes, the Clerk shall call the roll of the House, and the ayes and noes shall be taken manually and shall be recorded on the Journal. All roll call votes shall be taken alphabetically. All other votes shall be taken by voice vote. If, after a vote is taken on the electronic system, it is discovered that a malfunction caused an error in the electronic system printout, the Speaker shall direct the Reading Clerk and the Principal Clerk to verify and correct the printout record and so advise the House.

(h) For the purpose of identifying motions on which the vote is taken on the electronic system, the motions are coded as follows:

1. To adjourn
2. To lay on the table
3. To postpone indefinitely
4. Previous question
5. To reconsider
6. To postpone to a day certain
7. To re-refer
8. To amend an amendment
9. To amend
10. To substitute
11. To concur or not concur
12. Miscellaneous

RULE 21. Voice Votes; Stating Questions.—(a) When the electronic voting system is not used, the Speaker shall rise and put a question.

(b) The question shall be put in this form, namely, "Those in favor (as the question may be) will say 'Aye,'" and after the affirmation voice has been expressed, "Those opposed will say 'No'".

(c) No statement, explanation, debate, motion, parliamentary inquiry, or point of order shall be allowed once the voice vote has begun. Any point of order or parliamentary inquiry may be raised, however, after the completion of the vote.

RULE 22. *Determining Questions.*—(a) Unless otherwise provided by the Constitution of North Carolina or by these rules, all questions shall be determined by a simple majority of the members present and voting.

(b) No member may vote unless he is in the chamber when the question is put. This subsection of this rule cannot be suspended.

RULE 23. *Voting by Division.*—Any member may call for a division of the members upon the question before the result of the vote has been announced. Upon a call for a division, the Speaker shall cause the number voting in the affirmative and in the negative to be determined. Upon a division and count of the House on any question, no member away from his seat shall be counted.

RULE 24. *Roll Call Vote.*—(a) Before a question is put, any member may call for the ayes and noes. If the call is sustained by one-fifth (1/5) of the members present, the question shall be decided by the ayes and noes upon a roll call vote.

(b) Every member who is in the Hall of the House when the question is put shall vote upon a call of the ayes and noes, unless excused pursuant to Rule 24.1A.

RULE 24.1A. *Excuse From Deliberations and Voting on a Bill.*—(a) Any member shall upon request be excused from the deliberations and voting on a particular bill, but to do so must make that request after the second reading of the bill and before any motion or vote on the bill or any amendment thereto. If the reason for the request arises at some point later in the proceedings, the request may be made at that time.

(b) The member may make a brief statement of the reasons for making that request. The member may send forward to the Principal Clerk, on a form provided by the Clerk, a concise statement of the reason for the request, and the Clerk shall include this statement in the Journal.

(c) The member so excused shall not debate the bill or any amendment to the bill, vote on the bill, offer or vote on any amendment to the bill, or offer or vote on any motion concerning the bill at that reading, any subsequent reading, or any subsequent consideration of the bill.

(d) A member may request that his excuse from deliberations on a particular bill be withdrawn.

RULE 24.1B. *Division of Amendments.*—Any member may call for an amendment to be divided into two or more amendments to be voted on separately, and the Speaker shall determine whether the amendment admits of such a division.

RULE 25. *Voting by Speaker.*—In all elections the Speaker may vote. In all other instances he may exercise his right to vote, or he may reserve this right until there is a tie in which event he may vote, but in no instance may he vote twice on the same question.

V. Committees

RULE 26. *Standing Committees and Permanent Subcommittees Generally.*—(a) The Speaker shall appoint a Chair, or Cochairs, of every standing committee and select committee, if any. In the construction of these rules, the word "Chair" as applied to a standing committee extends to and includes a Cochair of the standing committee. The Speaker shall have the exclusive right and authority to establish select committees, but this does not exclude the right of the House by resolution to establish select committees.

(b) All permanent subcommittees of each standing committee shall be appointed by the Speaker and the members appointed, along with the Chair of the standing committee, shall constitute the standing committee of which the permanent subcommittee is a part. The Speaker shall appoint all members of permanent subcommittees at the beginning of the first regular session in a manner to reflect the partisan membership of the House.

(c) The Speaker shall appoint the members of all standing committees having no permanent subcommittees, at the beginning of the first regular session in a manner to reflect the partisan membership of the House.

The Speaker may name other members as Vice-Chairs of the standing committee. The Speaker may name one or more Vice-Chairs for any standing committee not having permanent standing subcommittees.

(f) The Chair of the standing committee shall be a voting member of each permanent subcommittee of the standing committee.

(g) Either the Chair or Acting Chair, designated by the Chair or by the Speaker, and five other members of the standing committee or permanent subcommittee, or a majority of the standing committee or permanent subcommittee, whichever is fewer, shall constitute a quorum of that standing committee or permanent subcommittee.

If a legislator so requests, a second copy shall be delivered to his clerk or secretary who shall place it in the legislator's office. The remaining copies shall be placed in the Printed Bills Room and made available to the committees to which the bill is referred, to individual legislators on request, and to the general public.

RULE 36. *Report by Standing Committee or Permanent Subcommittee.*—All House bills and resolutions shall be reported from the standing committee or permanent subcommittee to which referred with such recommendations as the standing committee or permanent subcommittee may desire to make except in the case where the principal introducer requests in writing to the Chair of the standing committee or permanent subcommittee that the bill not be considered.

With the written approval of the Chair of the standing committee and with the recommendation of the subcommittee pursuant to Rule 32(4) through (6), the Chair of the permanent subcommittee may report the bill directly to the floor with that recommendation. If a permanent subcommittee recommends reporting a bill to the floor and the Chair of the standing committee fails to give his approval, the bill shall be deemed to have been reported to the standing committee with the same recommendation as the subcommittee would have made to the House.

(a) *Favorable Report.* When a standing committee or permanent subcommittee reports a bill with the recommendation that it be passed, the bill shall be placed on the favorable calendar for the next succeeding legislative day; except that committee substitutes for bills shall be placed on the favorable calendar for the second next succeeding legislative day after being reported. When a committee substitute is adopted and receives a favorable report by the committee or permanent subcommittee, the standing committee or permanent subcommittee Chair shall submit to the standing committee or permanent subcommittee the question of an unfavorable report on the original bill. The standing committee's or

permanent subcommittee's action, if any, on the original bill shall be reported at the same time the committee substitute is reported.

(b) *Report Without Prejudice*. When a standing committee reports a bill without prejudice, the bill shall be placed on the favorable calendar.

If the minority report is adopted by majority vote, the bill shall be placed on the favorable calendar for consideration. If the minority report fails of adoption by a majority vote, the bill shall be placed on the unfavorable calendar.

RULE 36.1. *Fiscal notes*.—(a) The Chair or Cochair of the Appropriations Committee, of the Finance Committee or of the Rules, Appointments, and Calendar Committee, upon the floor of the House may request that a fiscal analysis be made of a bill, resolution or an amendment to a bill or resolution which is in the possession of the House and that a fiscal note be attached to the measure, when in the opinion of that Chair the fiscal effects of that measure are not apparent from the language of the measure.

(b) The fiscal note shall be filed and attached to the bill or amendment within two legislative days of the request. If it is impossible to prepare a fiscal note within two legislative days, the Director of Fiscal Research shall, in writing, so advise the Speaker, the Principal Clerk, and the member introducing or proposing the measure and shall indicate the time when the fiscal note will be ready.

(c) The fiscal note shall be prepared by the Fiscal Research Division on a form approved by the Rules, Appointments, and

Calendar Committee as to content and form and signed by the staff member or members preparing it. If no estimate in dollars is possible, the fiscal note shall indicate the reasons that no estimate is provided. The fiscal note shall not comment on the merit but may identify technical problems. The Fiscal Research Division shall make the fiscal note available to the membership of the House.

(d) A sponsor of a bill or amendment may deliver a copy of his bill or amendment to the Fiscal Research Division for the preparation of a fiscal note. The sponsor shall attach the fiscal note to the bill when he files the bill or to the amendment when he moves its adoption.

(e) The sponsor of a bill or amendment to which a fiscal note is attached who objects to the estimates and information provided may reduce to writing his objections. These objections shall be appended to the fiscal note attached to the bill or amendment and to the copies of the fiscal note available to the membership.

(f) Subsection (a) of this rule shall not apply to the current operations appropriations bill or the capital improvements appropriations bill. This rule shall not apply to a bill or amendment requiring an actuarial note under these rules.

RULE 36.2. Actuarial Notes.—(a) Every bill or resolution proposing any change in the law relative to any:

- (1) State, municipal or other retirement system funded in whole or in part out of public funds; or
- (2) Program of hospital, medical, disability or related benefits provided for teachers and State employees, funded in whole or in part by State funds;

shall have attached to it at the time of its consideration by any standing committee or permanent subcommittee a brief explanatory statement or note which shall include a reliable estimate of the financial and actuarial effect of the proposed change to that retirement or pension system. The actuarial note shall be attached to the jacket of each proposed bill or resolution which is reported favorably by any standing committee or any permanent subcommittee, shall be separate therefrom, and shall be clearly designated as an actuarial note.

(b) The sponsor of the bill or resolution shall present a copy of the measure, with his request for an actuarial note, to the Fiscal Research Division which shall prepare the actuarial note as promptly as possible but not later than two weeks after the request is made unless an extension of time is agreed to by the sponsor as

(c) The sponsor of the bill or resolution shall also present a copy of the measure to the actuary employed by the system or program affected by the measure. Actuarial notes shall be prepared and transmitted to the sponsor of the measure not later than two weeks after the request is received, unless an extension of time is agreed to by the sponsor as being necessary in the preparation of the note. The actuarial note shall be attached to the jacket of the measure. The provisions of this subsection may be waived by the measure's sponsor for a measure affecting local government retirement or pension plans not administered by the State or any local government program of hospital, medical, disability or related benefits for local government employees not administered by the State.

(d) The note shall be factual and shall, if possible, provide a reliable estimate of both the immediate effect and, if determinable, the long range fiscal and actuarial effect of the measure. If, after careful investigation, it is determined that no dollar estimate is possible, the note shall contain a statement to that effect, setting forth the reasons why no dollar estimate can be given. No comment or opinion shall be included in the actuarial note with regard to the merits of the measure for which the note is prepared. Technical and mechanical defects in the measure may be noted.

(e) When any permanent subcommittee or standing committee reports a measure to which an actuarial note is attached at the time of permanent subcommittee or standing committee consideration, with any amendment of such nature as would substantially affect the cost to or the revenues of any retirement or pension system, the Chair of the permanent subcommittee or standing committee reporting the measure shall obtain from the Fiscal Research Division an actuarial note of the fiscal and actuarial effect of the proposed amendment. The actuarial note shall be attached to the jacket of the measure. An amendment to any bill or resolution shall not be in order if the amendment affects the costs to or the revenues of a State-administered retirement or pension system, unless the amendment is accompanied by an actuarial note, prepared by the Fiscal Research Division, as to the actuarial effect of the amendment.

(f) The Fiscal Research Division shall make all relevant actuarial notes available to the membership of the House.

GENERAL STATUTES OF NORTH CAROLINA

ARTICLE 14

Part 1. Code of Legislative Ethics

§ 120-85. Definitions. As used in this Article:

- (1) "Business with which he is associated" means any enterprise, incorporated or otherwise, doing business in the State of which the legislator or any member of his immediate household is a director, officer, owner, partner, employee, or of which the legislator and his immediate household, either singularly or collectively, is a holder of securities worth five thousand dollars (\$5,000) or more at fair market value as of December 31 of the preceding year, or constituting five percent (5%) or more of the outstanding stock of such enterprise.

- (2) "Immediate household" means the legislator, his spouse, and all dependent children of the legislator.
- (3) "Vested trust" as set forth in G.S. 120-96(4) means any trust, annuity or other funds held by a trustee or other third party for the benefit of the member or a member of his immediate household. (1975, c. 564, s. 1.)

§ 120-86. Bribery, etc.

(a) No person shall offer or give to a legislator or a member of a legislator's immediate household, or to a business with which he is associated, and no legislator shall solicit or receive, anything of monetary value, including a gift, favor or service or a promise of future employment, based on any understanding that such legislator's vote, official actions or judgment would be influenced thereby, or where it could reasonably be inferred that the thing of value would influence the legislator in the discharge of his duties.

(b) It shall be unlawful for the partner, client, customer, or employer of a legislator or the agent of that partner, client, customer, or employer to threaten economically, directly or indirectly, that legislator with the intent to influence the legislator in the discharge of his legislative duties.

(c) It shall be unethical for a legislator to contact the partner, client, customer, or employer of another legislator if the purpose of the contact is to cause the partner, client, customer, or employer to threaten economically, directly or indirectly, that legislator with the intent to influence that legislator in the discharge of his legislative duties.

(d) For the purposes of this section, the term "legislator" also includes any person who has been elected or appointed to the General Assembly but who has not yet taken the oath of office.

(e) Violation of subsection (a) or (b) is a Class I felony. Violation of subsection (c) is not a crime but is punishable under G.S. 120-103. (1975, c. 564, s. 1; 1983, c. 780, s. 2.)

§ 120-87. Disclosure of confidential information. No legislator shall use or disclose confidential information gained in the course of or by reason of his official position or activities in any way that could result in financial gain for himself, a business with which he is associated or a member of his immediate household or any other person. (1975, c. 564, s. 1.)

§ 120-88. When legislator to disqualify himself or submit question to Legislative Ethics Committee. When a legislator must act on a legislative matter as to which he has an economic interest, personal, family, or client, he shall consider whether his judgment will

be substantially influenced by the interest, and consider the need for his particular contribution, such as special knowledge of the subject matter, to the effective functioning of the legislature. If after considering these factors the legislator concludes that an actual economic interest does exist which would impair his independence of judgment, then he shall not take any action to further the economic interest, and shall ask that he be excused, if necessary, by the presiding officer in accordance with the rules of the respective body. If the legislator has a material doubt as to whether he should act, he may submit the question to the Legislative Ethics Committee for an advisory opinion in accordance with G.S. 120-104. (1975, c. 564, s. 1.)

§ 120-90. Place and manner of filing.

§ 120-91: Repealed by 1987 (Reg. Sess., 1988), c. 1028, s. 3.

§ 120-92. Filing by candidates not nominated in primary elections.

(1975, c. 564, s. 1; 1987 (Reg. Sess., 1988), c. 1028, s. 3.)

The chairman shall also forward a certified copy of each candidate's statement of economic interest, within 10 days after its filing, to the board of elections in each other county in the district the candidate seeks to represent. (1989 (Reg. Sess., 1990), c. 890.)

§ 120-94. Statements of economic interest are public records.

The statements of economic interest are public records and shall be made available for inspection and copying by any person during normal business hours at the office of the various county boards of election where the statements or copies thereof are filed and at the Legislative Library after certified copies are forwarded to the Legislative Services Office. If a county board of elections of a county does not keep an office open during normal business hours each day, that board shall deliver a copy of all statements of economic interest filed with it to the clerk of superior court of the county, and the statements shall be available for inspection and copying by any person during normal business hours at that clerk's office. (1975, c. 564, s. 1; 1989 (Reg. Sess., 1990), c. 890.)

(1975, c. 564, s. 1; 1989 (Reg. Sess., 1990), c. 890.)

If the statement is not received within 15 days of notification, the board of elections authorized to certify a candidate as nominee to the office shall not certify the candidate as nominee under any circumstances, regardless of the number of candidates for the nomination and regardless of the number of votes the candidate receives in the primary. A vacancy thus created on a party's ticket shall be considered a vacancy for the purposes of G.S. 163-114, and shall be filled according to the procedures set out in G.S. 163-114.

(b) Repealed by Session Laws 1987 (Reg. Sess., 1988), c. 1028, s. 5. (1975, c. 564, s. 1; 1987 (Reg. Sess., 1988), c. 1028, ss. 4, 5.)

PART 3. Legislative Ethics Committee.

§ 120-99. Creation; composition.

The Legislative Ethics Committee is created to consist of a chairman and eight members, four Senators appointed by the President of the Senate, two from a list of four submitted by the Majority Leader and two from a list of four submitted by the Minority Leader, and four members of the House of Representatives appointed by the Speaker of the House, two from a list of four submitted by the Majority Leader and two from a list of four submitted by the Minority Leader.

The President of the Senate shall designate a member of the General Assembly as chairman of the Committee in odd-numbered years, and the Speaker of the House shall designate a member of the General Assembly as chairman of the Committee in even-numbered years. The chairman will vote only in the event of a tie vote.

The provisions of G.S. 120-19.1 through G.S. 120-19.8 shall apply to the proceedings of the Legislative Ethics Committee as if it were a joint committee of the General Assembly, except that the chairman shall sign all subpoenas on behalf of the Committee. (1975, c. 564, s. 1; 1985, c. 790, s. 6.)

§ 120-100. Term of office; vacancies.

Initial members of the Legislative Ethics Committee shall be appointed as soon as practicable after the ratification of this Article and shall serve until the expiration of their current terms as members of the General Assembly. Thereafter, appointments shall be made immediately after the convening of the regular session of the General Assembly in odd-numbered years, and appointees shall serve until the expiration of their then-current terms as members of the General Assembly. The chairman shall serve for one year and shall be appointed each year. A vacancy occurring for any reason during a term shall be filled for the unexpired term by the authority making the appointment which caused the vacancy, and the person appointed to fill the vacancy shall, if possible, be a member of the same political party as the member who caused the vacancy. (1975, c. 564, s. 1.)

§ 120-101. Quorum; expenses of members.

Five members constitute a quorum of the Committee. A vacancy on the Committee does not impair the right of the remaining members to exercise all the powers of the Committee.

The chairman and members of the Committee, while serving on the business of the Committee, are performing legislative duties and are entitled to the subsistence and travel allowances to which

members of the General Assembly are entitled when performing legislative duties. (1975, c. 564, s. 1.)

§ 120-102. Powers and duties of Committee.

In addition to the other powers and duties specified in this Article, the Committee has the following powers and duties:

- (1) To prescribe forms for the statements of economic interest and other reports required by this Article, and to furnish these forms to persons who are required to file statements or reports.
- (2) To receive and file any information voluntarily supplied that exceeds the requirements of this Article.
- (3) To organize in a reasonable manner statements and reports filed with it and to make these statements and reports available for public inspection and copying during regular office hours. Copying facilities shall be made available at a charge not to exceed actual cost.
- (4) To preserve statements and reports filed with the Committee for a period of 10 years from the date of receipt. At the end of the 10-year period, these documents shall be destroyed.
- (5) To prepare a list of ethical principles and guidelines to be used by each legislator in determining his role in supporting or opposing specific types of legislation, and to advise each General Assembly committee of specific danger areas where conflict of interest may exist and to suggest rules of conduct that should be adhered to by committee members in order to avoid conflict.
- (6) To advise General Assembly committees, at the request of a committee chairman, or at the request of three members of a committee, about possible points of conflict and suggested standards of conduct of committee members in the consideration of specific bills or groups of bills.
- (7) To suggest to legislators activities which should be avoided.
- (8) Upon receipt of information that a legislator owes money to the State and is delinquent in making repayment of such obligation, to investigate and dispose of the matter according to the terms of this Article. (1975, c. 564, s. 1; 1979, c. 864, s. 3.)

§ 120-103. Possible violations; procedures; disposition.

(a) *Institution of Proceedings.* — On its own motion, or in response to signed and sworn complaint of any individual filed with the Committee, the Committee shall inquire into any alleged violation of any provision of this Article.

(b) *Notice and Hearing.* — If, after such preliminary investigation as it may make, the Committee determines to proceed with an inquiry into the conduct of any individual, the Committee shall notify the individual as to the fact of the inquiry and the charges against him and shall schedule one or more hearings on the matter. The individual shall have the right to present evidence, cross-examine witnesses, and be represented by counsel at any hearings. The Committee may, in its discretion, hold hearings in closed session; however, the individual whose conduct is under inquiry may, by written demand filed with the Committee, require that all hearings before the Committee concerning him be public or in closed session.

(c) *Subpoenas.* — The Committee may issue subpoenas to compel the attendance of witnesses or the production of documents, books or other records. The Committee may apply to the superior court to compel obedience to the subpoenas of the Committee. Notwithstanding any other provision of law, every State agency, local governmental agency, and units and subdivisions thereof shall make available to the Committee any documents, records, data, statements or other information, except tax returns or information relating thereto, which the Committee designates as being necessary for the exercise of its powers and duties.

(d) *Disposition of Cases.* — When the Committee has concluded its inquiries into alleged violations, the Committee may dispose of the matter in one or more of the following ways:

- (1) The Committee may dismiss the complaint and take no further action. In such case the Committee shall retain its records and findings in confidence unless the individual under inquiry requests in writing that the records and findings be made public.
- (2) The Committee may, if it finds substantial evidence that a criminal statute has been violated, refer the matter to the Attorney General for possible prosecution through appropriate channels.
- (3) The Committee may refer the matter to the appropriate House of the General Assembly for appropriate action. That House may, if it finds the member guilty of unethical conduct as defined in this Article, censure, suspend or expel the member. (1975, c. 564, s. 1; 1987, c. 439.)

§ 120-104. Advisory opinions.

At the request of any member of the General Assembly, the Committee shall render advisory opinions on specific questions involving legislative ethics. These advisory opinions, edited as

necessary to protect the identity of the legislator requesting the opinion, shall be published periodically by the Committee. (1975, c. 564, s. 1.)

§ 120-105. Continuing study of ethical questions.

The Committee shall conduct continuing studies of questions of legislative ethics including revisions and improvements of this Article as well as sections to cover the administrative branch of government and shall report to the General Assembly from time to time recommendations for amendments to the statutes and legislative rules which the Committee deems desirable in promoting, maintaining and effectuating high standards of ethics in the legislative branch of State government. (1975, c. 564, s. 1.)

§ 120-106. Article applicable to presiding officers.

The provisions of this Article shall apply to the presiding officers of the General Assembly. (1975, c. 564, s. 2.)

§ 120-107 to 120-111. Reserved for future codification purposes.

ARTICLE 14A.

Committees on Pensions and Retirement.

§ 120-111.2. Duties.

With respect to public officers and public employees to whom State-administered retirement benefit or pension plans are applicable, the Senate and House Committees on Pensions and Retirement shall:

- (1) Study the benefits, including those available under Social Security and any other federal programs available to the public officers and employees.
- (2) Consider all aspects of retirement and pension financing, planning and operation, including the financing of accrued liabilities of each retirement or pension fund, health program, and other fringe benefits.
- (3) Request the Governor, the State Treasurer, the State Auditor and any other agency or department head which has information relevant to these committees' study to prepare any reports deemed necessary by the committee.
- (4) Recommend legislation which will insure and maintain sound retirement and pension policy for all funds.
- (5) Analyze each item of proposed pension and retirement legislation in accordance with Article 15 of Chapter 120 of the General Statutes.
- (6) Study, analyze, and report on related subjects directed to be studied by joint resolution, resolution of either house of the

General Assembly, or by direction of the Speaker of the House or President of the Senate. (1979, 2nd Sess., c. 1250, s. 1; 1981, c. 85, s. 3; 1987, c. 1091, s. 4; 1989, c. 261, s. 2.)

§ 120-111.3. Analysis of legislation.

Every bill, which creates or modifies any provision for the retirement of public officers or public employees or for the payment of retirement benefits or of pensions to public officers or public employees, shall, upon introduction in either house of the General Assembly, be referred to the Committee on Pensions and Retirement of each house. When the bill is reported out of committee it shall be accompanied by a written report by the Committee on Pensions and Retirement containing, among other matters which the Committee deems relevant, the actuarial note required by Article 15 of Chapter 120 of the General Statutes, and pursuant to the Rules of the General Assembly, and an evaluation of the proposed legislation's actuarial soundness and adherence to sound retirement and pension policy. Any bill referred to the Committee on Pensions and Retirement cannot be further considered by that house until such bill has received a favorable report, a report without prejudice, or has been recalled from that committee.

Whenever a bill is considered by the Committee on Pensions and Retirement that proposes changes in the benefits of any State-administered retirement or pension plan to be financed by unencumbered actuarial experience gains generated either through a change in actuarial assumptions adopted by the plan for the previous budget year or through a continuation of the actuarial assumptions adopted by the plan for the previous budget year, the Committee shall give equal consideration to the effects that such unencumbered actuarial gains would have upon annual employer or State contributions to the plan and to the amount by which the plan's unfunded accrued liabilities, if any, might be reduced. If such unencumbered actuarial experience gains could be used to modify annual employer or State contributions to the plan resulting in a corresponding effect upon State appropriations, the committee on Pensions and Retirement shall, upon a favorable report, refer the bill to the Committee on Appropriations of the same house before the bill is considered by that house. (1979, 2nd Sess., c. 1250, s. 1; 1981, c. 85, s. 4; 1985, c. 187; c. 400, s. 10; 1987 (Reg. Sess., 1988), c. 1110, s. 11.1.)

§ 120-111.4. Staff and actuarial assistance.

Upon application of the chairman of the Senate or House Committee on Pensions and Retirement, the Legislative Services Commission shall provide staff, including actuarial assistance, to aid the committee in its work. (1979, 2nd Sess., c. 1250, s. 1; 1981, c. 85, s. 5.)

§ 143-15. Reduction and increase of items by General Assembly.

The provisions of this Article shall continue to be the legislative policy with reference to the making of appropriations and shall be treated as rules of both branches of the General Assembly until and unless the same may be changed by the General Assembly either by express enactment or by rules adopted by either branch of the General Assembly.

The General Assembly may reduce or strike out such item in the Current Operations Appropriations Bill and the Capital Improvement Appropriations Bill as it may deem to be the interest of the public service, but neither House shall consider further or special appropriations until the Current Operations Appropriations Bill shall have been enacted in whole or part or rejected, unless the Governor shall submit and recommend an emergency appropriation bill or emergency appropriation bills, which may be amended in the manner set out herein, and such emergency appropriation bill, or bills, when enacted, shall continue in force only until the Current Operations Appropriations Bill and the Capital Improvement Appropriations Bill shall become effective, unless otherwise provided by the General Assembly. Provided that the Capital Improvement Appropriations Bill may be considered before the Current Operations Appropriations Bill has been adopted in whole or part or rejected.

The General Assembly may also increase any appropriation set out in the Current Operations Appropriations Bill and the Capital Improvement Appropriations Bill and may provide additional appropriations for other purposes if additional revenue or revenues, equal to the amount of such additional appropriations and increases, are provided for by corresponding amendment to the Budget Revenue Bill. No bill carrying an appropriation shall thereafter be enacted by the General Assembly, unless it be for an object or objects therein described and shall provide an adequate source of revenue for defraying such appropriation, or unless it appears from the budget report or the Budget Revenue Bill that there is sufficient revenue available therefor. The appropriation, or appropriations, in such bills shall be in accordance with the classification used in the budget.

Reports to or of the appropriations committees or their subcommittees indicate action by the General Assembly when they are used in preparation of or amendment to appropriations acts. (1925, c. 89, s. 16; 1929, c. 100, s. 17; 1983 (Reg. Sess., 1984), c. 1034, ss. 159-161; 1987, c. 876, s. 12.)
